

Allyson Bradshaw

Office Administrator

Ms. Bradshaw joined Mayson Capital Partners, LLC (Mayson Capital) in 2020. Mayson Capital's core investments include convenience stores, restaurants, hotels and a community bank. Other operating companies include an urgent care clinic and affiliated medical billing company, a general contracting firm, and a mortgage loan origination business. Several of these businesses drive growth in a commercial real estate portfolio that includes additional commercial properties and developments. Mayson Capital also allocates significant resources to technology and venture investments with opportunity for explosive growth.

Mayson Capital always leads investments with its own capital. Additional funds are raised from a network of high net-worth individuals on a deal-by-deal basis. This approach allows flexibility with deal structures and tends to yield more patient capital while portfolio businesses carry out their business plans.

Ms. Bradshaw graduated from Southeast Missouri State University with a B.S. in Communication Disorders. While focusing on her studies, she also played on the women's basketball team for four years. Upon graduating, she developed her communication and relationship-building skills as a technical recruiter with a staffing service and later a site manager within the facilities management industry. Most recently, she worked as the Client Success Manager for a ride share and food delivery start-up company that focused on serving small markets and college campuses.

Ms. Bradshaw serves as the Office Administrator at Mayson Capital Partners. The role highlights her communication and relationship-building experience as she assists co-workers across multiple departments with their strategic and daily functions. She also serves as a liaison between team members and clients when they visit the Mayson Capital Partners office.

Allyson resides in Cape Girardeau, Mo. She is engaged to Matthew Kinney. Their wedding is scheduled for November 2021. As a former college athlete, Allyson's interest in the university's athletics programs remains strong because Matthew is the pitching coach for Southeast Missouri State University's baseball team. Naturally, Allyson spends most of her free time at the baseball field cheering on the Redhawks.
